Yarzheit Information

B'nai Vail sends monthly Yarzheit notices so you'll know the appropriate time for observance for your departed loved ones and the name will be read during the weekly Friday night service.

Submit additional names on a separate sheet as needed.

Existing members need only submit names if this is new information or if you have a correction.

When our Yom Kippur afternoon service resumes at 5:00 pm at the Edwards Interfaith Chapel, names of deceased relatives will be read for all current members and registered guests. On the reverse of this page, you'll see an opportunity to make an additional contribution in honor of their memory.
